AGRICULTURE FENVALERATE

About Us

At Riddhi Speciality Chemicals, we have been analyzing the increasing demand for chemicals and have been fulfilling them with high-quality products. Since the year 2014, as a pioneer manufacturer, exporter, supplier and wholesaler, we have been featuring a vast range of chemicals including Hexaconazole 5% SC Contact Fungicides, Emamectin Benzoate 5%SG Insecticides, Rumic 95% Plant Growth Regulator, Emamectin Benzoate 1.9% EC Insecticides, Paraquat Dichloride 24% SL Herbicides, etc. Total product analysis is performed in our QC & QA department in accordance with the international standards. We are technologically advanced, with many mixers, grinders, equipment, and instruments in our modern processing cell for the manufacturing of our chemicals.

Furthermore, an efficient team strengthens us, they put their expertise to work and produce agriculture chemicals, pesticides, insecticides, and fertilizers that are completely safe to use. Our company places a high emphasis on maintaining a safe and healthy environment, and we adopt a strong environmental management system to do so. Our supplied variety is always produced with the utmost care, ensuring that natural resources are not squandered and that nothing is left behind that might damage the natural beauty. We are technologically advanced, with many mixers, grinders, equipment, and tools in our contemporary processing cell for the manufacturing of our agricultural chemicals. The best thing about us is that we have the capacity to complete the bulk requirements of chemicals of the Indian markets.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	metribuzin 70 wp,oxyfluorfen 23.5 ec,lambda cyhalothrine 4.9 cs,pendimethalin 38.7 cs,pendimethalin 30 ec,paraquat 24 sl,glyphosate 71 sg,glyphosate 41 sl,imidacloprid 70 wg,thiamethoxam 70ws
No of Staff	10
Year of Establishment	2014
No of Production Lines	1
OEM Service Provided	Yes
Monthly Production Capacity	as per order based
ProductRange	metribuzin 70 wp,oxyfluorfen 23.5 ec,lambda cyhalothrine 4.9 cs,pendimethalin 38.7 cs,pendimethalin 30 ec,paraquat 24 sl,glyphosate 71 sg,glyphosate 41 sl,imidacloprid 70 wg,thiamethoxam 70ws
